NUMBR 31.

ANNOUNCES FOR DISTRICT JUDGE

OWEN THOMAS

TO THE VOTERS OF JONES,
FISHER and TAYLOR COUNTIES:

I hereby announce my candidacy for the office of District Judge of the 104th Judicial District of Texas, composed of the above mentioned Counties, subject to the action of the voters at the Democratic Primary in July.

I do not deem it necessary to have much to say to Jones County Voters relative to my life, record and qualifications. These are known to most of you already. However, for the information of those who do not know me, I state the following facts about myself. I live in Anson, where I was born and raised and which has always been my home. I was educated in the public schools of Anson and the University of Texas. After leaving school, I served about one year in the Army during the War, taught school in Jones County and worked in several of the County offices. Thereafter I served two elective terms as District Clerk of Jones County and three elective terms as County Judge of Jones County, voluntarily retiring on January 1, 1931, since which time I have been actively engaged in the practice of Law with our firm of Thomas & Thomas of Anson. I have had experience in and about a Law office and the Courts since an early age, and I have been in the active practice of Law for more than eight years. I am now 39 years of age.

In this connection, I want to say that I am deeply grateful to the people of Jones County for the places of responsibility and the accompanying opportunities, which they have favored me in the past. I have endeavored to measure up to those responsibilities, take advantage of those opportunities and be worthy of your confidence.

I now seek advancement in my profession. I have for a number of years cherished the ambition to occupy the District Judge's Bench, and to this end I have endeavored to qualify myself. As to my qualifications and fitness for the District Judgeship, I refer to my record as a citizen, an official and a practicing Attorney, to the members of the Bar in the Counties of the District, and to the people who know me generally. I have not prematurely made this move, but have abided what I considered the proper time. I would like to succeed the present Judge, W. R. Chapman, who has been honored with the office for many years.

I have a very high conception of a Judgeship. In my opinion, the first qualification of any Judge is a sense of fairness and impartiality, with courage to act accordingly, toward all alike, whether rich or poor, and regardless of color, social standing or belief. I think that, in all issues for his determination, a Judge should hear both sides and then act according to what he believes to be the Law as applicable to the facts. Of course, a Judge

TEXAS LOOKS BEAUTIFUL NOW

It seems that nature is responding to the spirit of Texas' Centennial in dressing the state out in its most beautiful coat of green and flowers.

Seasonal rains have done the trick. It is all over the state alike now. Visitors will see the wide fields of corn, cotton and shocks of golden grain and millions of cattle and other live stock on the grass lands.

Every nook and corner of the state is on parade.

Hamlin town and community looks so thriving in the foliage of new life. Bountiful rains have started everything off to a good tune and it now looks like cotton is going to be earlier than usual. Already most of the cotton is to a good stand. The grain row crops are especially good.

Wheat that was not over-pastured looks better than the fondest hopes could expect. There is not so much wheat acreage, but what there is will likely yield above normal.

Roads not hard surfaced are becoming chug-holed, as a result of "Ethiopian" rains the last week or more. However the fall has not been fast enough to cause much water in streams and lakes.

In Hamlin where the soil is rich and black, vegetation is growing rank, and this means that our city must have a lot of attention to prevent jungle-like vacant lots and slough-like ditches.

Miss Olivia Smith and brother, Aubrey and Mr. and Mrs. Bill James of Wills Point visited relatives Mr. and Mrs. D. W. Carlton. Miss L. Outta Carlton returned with them to make an extended visit with relatives in Fort Worth, Dallas and Wills Point.

Mr. and Mrs. John Green were called to Kervin Texas, near Corsicana, last Saturday by the death of John's uncle, John L. Green, who died as a result of an automobile accident. They went down Sunday and returned Tuesday.

James Tate May, is having his first trip by train this week. He is in Norman, Okla., visiting his aunt, Mrs. C. C. Rister and Dr. Rister of the State University. He had a two hour wait in Ft. Worth. Next thing James Tate will be riding by airplane.

NEINDA 4-H CLUB

The Neinda 4-H Club met May 11, 1936, at 10:40 in the club room. After a sing song, led by our song leader, Johnie Mae Brown, the meeting was turned to Miss Jewel Faulkner, Home Demonstration Agent, who helped the girls finish work started at an earlier meeting. She also gave a demonstration on cutting out aprons. The club members have their work all done up to date.

should possess the proper temperament and necessary legal qualifications.

It is my intention to personally see as many of you as possible before the Primary. Of course, it will be impossible to see all. I am sure you will appreciate the fact that I must necessarily spend more of my time in those parts of the district where I am not as well acquainted as in my home County.

I invite your investigation of my qualifications, request your consideration of my candidacy and respectfully solicit your votes and support.

OWEN THOMAS.

M^CCAULLEY B OOSTERS MONTHLY LUNCHEON

The Booster Club met at the Methodist Church, Thursday night, May 21st. The principal speaker of the afternoon was Rev. Freeman, pastor of the Methodist Church of Rotan. His subject was, "Why I'm glad I Am a Texan."

Mr. Walker Henderixson made a talk on "Boy Scout Work," and awarded Scout Certificates.

Garland Davis, President of the Booster Club and master of ceremonies, expressed himself in favor of a big celebration for McCaulley, beginning Aug. 6th. The fifty-six present at luncheon were in favor of such a celebration. A committee was appointed to arrange plans for the celebration and free barbecue, were: Geo. Darden, Sam Hardy, B. F. Kemp, Fred Maberry and Levi McCollum.

Visitors present at luncheon were: Mr. and Mrs. R. L. (Bogue) Wilkins, Roy Perkins, Rev. Freeman, Miss Estain McWhirter, Miss Jennings and Mrs. Singleton. And we really had a feed!

WANTS TO KNOW

ABOUT OIL PROGRESS

Dr. Gus Schulze of El Campo sends the Herald one of the most beautiful checks for renewal. Dr. Schulze has a farm west of Hitson and he is naturally interested in oil. The last few months oil drilling has slacked up and the whole industry slowed down. But without making a big headline, we will say for our El Campo friend that the Hamlin field has nearly 100 wells, most of which are paying. There is still a little drilling going on. The field is not fully determined and from time to time new area will be included.

TAX RATE TO BE LOWER NEXT PAY DAY

AUSTIN, May 25.—The State ad valorem tax rate has been reduced from 77c to 62c and the State will have a cash balance of more than three million dollars in all of the operating funds, except the Confederate Pension fund, at the end of the current fiscal year, Governor James V. Allred told the Texas Bankers Convention this week.

"This cash balance of three million dollars," the Governor said, "will be maintained even after the increase of the scholastic per capita apportionment from \$17.50 for the current year to \$18.50 by the State Board of Education."

The \$18.50 per capita apportionment is the largest ever made by the State of Texas. It will effect the destiny of about 1,558,000 scholastics.

During the Allred administration about three million dollars will have been paid for the Centennial. Every debt of the available free school fund has been paid and appropriations for rural aid have been increased by two million dollars per year.

Since September last year \$2,731,000.00 has been set aside for sinking fund and interest on the State's bonded indebtedness. The State owes at this time \$13,537,750. on the twenty million dollar relief bonds voted in 1933.

Taxpayers have been saved approximately four and three-quarter million dollars by the slash in the State ad valorem rate from 77c to 62c, the Governor pointed out.

In commenting upon the unusual demands made by the people upon both the State and Federal governments, Allred said: "We all realize that during the past five years both the State and National govern-

RAMBLING

over to the Methodist Church and start north and go two blocks, and I live on the corner." Mr. Cassle probably knew what Avenue he lived on, but was not in the habit of using its name. He very likely did not know the street north of him. Well, Henry, its 4th Street and your block is the 400. Hence such fellows as D. O. Sauls and H. O. Cassle live on Union Ave. 400 block, west. All of this is to impress upon our minds that we are to blame for not knowing where we live. The town was laid out and names of streets are on "paper." What we hope is to keep on till we make our street names familiar.

AVENUES SHOULD BE LABELED

Hamlin people are becoming "Civic-minded." Besides agitating the proper labeling of our Avenues and blocks, there is a movement on to have a "Centennial clean-up." This certainly does not mean that we shall try to clean up so that it will stay clean 100 years. Cleaning a town is very much like a boy's face—it just has to have a scrubbing ever so often.

There are a few things observed and heard while 'ramblin' 'round.' Somebody, the other day was grumbling about the kids not being allowed to wade in the City Lakes. He says, why look, "there are hundreds of cattle every day, wading in the water—why not my kid." We have learned, you just can't keep people from thinking. We can remember when we would flatten out on our stomach and blow back the green skim and frighten away the unhatched mosquitoes and drink and drink (back in East Texas) later we would shake and shake with chills. It takes a long time to learn a little. Surface water is bad enough at best—sometimes under surface water is worse.

It is said to believe nothing you hear and half you see. If Hamlin folks don't pay some attention to their vacant lots, we will get where we can't see anything, and will hear everything. Then what? Hamlin has an opportunity to have a dozen lovely city lot parks. A little labor and civic pride will do the trick. Any block undeveloped with houses on two sides is called a "vacant lot." Look what a non-owner has done to his neighboring lot in the N. 100 block, Central Ave. Its clean and lends comfort to his home. See if you can learn his name and pat him on the back.

Here's hoping that The Chairman of the Civic Committee of the Hamlin Chamber of Commerce will get his plans ready soon for that "Centennial Clean-up." Ira Clements is the man, and he is out for business.

It is mighty easy to speak of pretty things, and notice this: The prettiest one-side of a block in Hamlin according to our eyes, is the south side of the 500 block between

Union and Jackson Ave. Where is it?

Wonder how much the community would be helped in civic appearance if that vacant lot in the 300 block on Jackson Avenue was cleaned and cared for?

That business place in the 600 block on Union Avenue is attractive, and could be made more so.

Wonder how the people feel to have to keep seeing all the unsightly things in front of them down in the 700 block on Union Avenue?

Somebody pops the question, "Where do the street numbers start, and why street numbers and why avenues?" Alright bud, when this town was laid out, all streets running north and south were called avenues. Their names are, (beginning north and south were called nining in the center) Central Avenue, next east is Farwell Avenue, next Grand Ave. Then dropping back west of Central, we come to Union, Jackson, Hope, Alamo and lastly Houston.

All streets extending east and west are numbered. First Street is the one directly east out from the Grammar School, going south, they are 2nd, 3rd, 4th, and so on. By the time you reach what we have been calling Park street, you get into 10th. That means the Pioneer Gin is in the 1000 block or we could say that Rockwell Lumber Co. is in the 1000 block, north. The Post Office is in 700 block, 8th St. and Union.

If ever we get our avenues and streets labeled it will be easy to know and tell others where you live. Then comes house numbers. All of which is a matter of development. It is easy to remember blocks, when one recalls that all blocks between 1st and 2nd street are 100, all between 6th and 7th are in the 600 row.

Someone will ask about the streets north from First Street. That is another addition and those streets are listed N. 1st, N. 2nd N. 3rd., hence their blocks would be called N. 100, N. 200 and N. 300 etc.

Hamlin Hospital is in the N. 100 block, Central Ave., Dick Moore's home is on Union Ave. N. 200 block, west. If you are on an Avenue and get to, say 500 block, the words "east" or "west" indicates the side of the Ave. the house or place is located in "those" blocks, because there is a "500," block on both sides, east and west of the Ave. In other words to say that, W. A. Albritton lives on Central Ave. 300, "east." Now if a stranger could read and the signs were up he would start north on Central Ave. and coming to 300 block, he would expect to locate the house on the "east" side of the Ave. Cliff Gibson lives in 200 block, 3rd Street, between Central Ave and Union.

Mr. and Mrs. Warren Dodson and Mrs. Stokes, of Snyder were guests Sunday in the home of Mr. and Mrs. McCurdy. Mrs. Stokes is Mrs. McCurdy's mother.

THE New
Firestone
HIGH SPEED TIRE for 1936

AVOID accidents—take no chances—Buy your tires on Proof of Performance. Make sure that you and your family will be safe! Skidding, blowouts and punctures caused more than 37,000 accidents last year. Many of these accidents could have been avoided with safe tires.

The new Firestone High Speed Tire for 1936 is the safest driving equipment you can buy. Here is your proof:

PROOF OF GREATEST NON-SKID SAFETY
A leading university made 2,350 tire tests and found that the new scientifically designed Firestone High Speed tread stops a car up to 25% quicker than other tires.

PROOF OF GREATEST BLOWOUT PROTECTION
Every year, since Firestone developed the Gum-Dipped Balloon tire, Firestone Tires have been on the winning cars in the gruelling blowout test of the Indianapolis 500-Mile Race.

PROOF OF GREATEST ECONOMY
Firestone engineers designed the new Firestone High Speed Tire for 1936 to give you up to 50% longer non-skid mileage. This is proved by our own test fleet records and the fact that the world's largest transportation companies, such as Greyhound, to whom safety and tire economy means business efficiency, use Firestone Tires. This is further proof that they are the safest, most economical tires ever built.

Why risk an accident when it costs so little to protect lives worth so much? Equip your car today with new Firestone High Speed Tires—the Masterpiece of Tire Construction.

The 1936 De Luxe Eight 4-Door Sedan, \$815*

Reserve all judgments of eight performance until you drive this car

AFTER ALL, the smoothest eight is the eight you want. So make no decision until you drive the Pontiac. For Pontiac has no vibration point at any speed—due to incredibly accurate balance of rotating parts, a short-stroke crankshaft with overlapping bearings, and the harmonic balancer introduced by Pontiac.

You'll learn about smoothness from the Pontiac Eight—and that's not all! The fast, sure action of Pontiac's big, triple-sealed, hydraulic brakes will be another revelation. So will the comfort of the spacious "Turret-Top" Fisher Bodies. Economy, too, is amazing. Under official supervision, the Pontiac Eight has delivered 22 miles to the gallon.

These are facts. Now test them out. Drive the Pontiac Eight for just ten minutes and prove that your search for super-smoothness is over.

*List prices at Pontiac, Mich., begin at \$615 for the "6" and \$730 for the "8" (subject to change without notice). Safety glass standard on De Luxe "6" and "8". Standard group of accessories extra. MISS MARIE POPE AND
MR. JAMES RICHARD HINKLE
MARRIED FRIDAY

The marriage of Miss Marie Pope and Mr. James Richard Hinkle took place Friday evening at nine o'clock in Pecos, in the home of Mrs. Virgie Fulgim, where Miss Pope has lived during the past school term.

Immediately after the ceremony the couple left for El Paso and points in New Mexico for a short wedding trip. They will be at home in Pecos after June 1.

The bride wore a centennial blue sheer dress with white accessories. Her flowers were lilies of the valley and white rose buds.

Rev. W. M. Turner, pastor of the Pecos first Baptist Church read the service. Only relatives and a few intimate friends were present.

Mrs. Hinkle attended Texas State College for Women, Denton and the University of Texas from which place she took her degree, and was a member of Kappa Delta sorority. For four years she was a teacher of English in the Anson High School and for the past year she has been head of the English department in Pecos High School.

Mr. Hinkle is a son of Mr. and Mrs. R. E. Hinkle, of Lynchburg, Tennessee. He received his education in the Tennessee schools, and for the past six years he has lived in Pecos where he is connected with the Hinkle Drug Company.

Prior to her marriage Mrs. Hinkle was honored with a number of social affairs.

The following is taken from The Pecos Enterprise.

The engagement and approaching marriage of Miss Marie Pope and Dick Hinkle was announced last Thursday to the close friends of the bride-to-be during the luncheon hour at the home of Mrs. Virgie Fulgim.

An entertaining diversion had

been arranged, with each girl bringing a bit of clever gossip about some member of the group. The surprise was left for the last and was told by Miss Julia Williams, announcing the wedding, which will take place May 23rd. Those present at this announcement were Misses Mildred Shafer, Margaret Beyette, Bernice Smith, Julia Williams, Taddy Biehl, Frances Vest, Nell Dezelle, Margaret Daniel and Mrs. Dell Porter.

LAWN PARTY HONORS THE BRIDE-TO-BE

A charming hospitality of last week was the garden party given at the home of Mrs. J. E. Starley by Misses Julia Williams, Margaret Beyette, Frances Vest, Bernice Smith and Mildred Shafer, complimenting Miss Marie Pope, whose marriage to Dick Hinkle will be solemnized May 22nd.

Tall wicker baskets filled with garden flowers added to the attractiveness of the lawn and bright colored out-door furniture made a gay effect.

In the receiving line with the guest of honor were Miss Frances Vest, Miss Bernice Smith, Mrs. Pat Fulgim, Mrs. Robert Valiant, Mrs. Bob Middleton, Miss Mildred Shafer and Miss Julia Williams.

From a huge crystal bowl centering a lovely lace-covered table, Miss Nell Dezelle and Miss Margaret Beyette served the guests punch and Miss Mildred Knox had charge of the guest register. Music was furnished by the Victrola throughout the party.

Miss Julia Williams cleverly announced the feature of the evening by giving a weather forecast and warning the bride-to-be of an impending "shower," advising her to bring things in from the line. A clothes-line filled with gifts was then carried in by the servants, along with a beautiful waffle set

from the Twentieth Century Club. Refreshments of ice cream and cakes were served by Ruth Reeder and Martha Ellis. The guests included in this courtesy were Misses Marian Cooper, Marie Pouncey, Mary Kathryn Reeder, Carrie Glover, Warren Collings, Ruth Newell, Wylie Sue Cole, Mary Magee, Taddy Biehl, Jessie Sue Armstrong, Julia Ward, Mary Ward, Isadore Grimes, Aileen Love, Mary Katherine Toliver, Nancy Harmon, Frances and Elizabeth Titus, May Jarine, Helen Boyd, Mable Crum, Myrtle Crum, Catherine Mullican and Millie Knox. Mesdames Tena Adams, Charles Monahan, T. Y. Casey, Dewey Richburg, Gage Van Horn, Jr., Paul Heiser, Marion Ailes, J. Scrimshire, R. H. Blackwell, Buddy Withers, Lily Cole, Lindley, J. B. Heard, Kenneth Slack, Marion Slack, Heard Reynolds, Thomas Lilley, Virgie Fulgim, R. G. Middleton, John Ivy, H. M. E. Jones, Robert Valiant, B. A. Toliver, J. R. Haynes, Milford Howard, I. R. Titus, W. W. Dean, J. B. Woolfolk, Bill Knox, E. J. Cox, Hill Hudson, N. F. Chapman, R. V. Nabers, and Potter.

INFORMAL TEA GIVEN SUNDAY AFTERNOON

Miss Marie Pope was the recipient of a delightful courtesy Sunday afternoon when she was named guest of honor at an informal tea given by Miss Nell Dezelle and Miss Margaret Beyette in the lounge of Hotel Brandon.

Flower decorations were white sweet peas and the refreshments were iced tea, cakes frosted with white icing and white mints.

Those enjoying this hospitality were Misses Bernice Smith, Mildred Shafer, Julia Williams, Julia Ward, Messrs. Fred Barnett of Jal, Fred Seely, Bill Lazenby, Jack Stough, Wesley May, Ray Whitley, Travis Moorman, the guest of honor, Miss Marie Pope and her fiancée, Dick Hinkle.

MRS. W. O. BAKER MARRIED

The Herald has a card from Mrs. W. O. Baker announcing that she was married last Thursday night to Mr. Ervin Hamlin in Big Spring. They are at home at 700 Main St., in that city.

Mrs. Hamlin has many friends in this city where she has lived a number of years and where she has a farm and city property.

MERRY MAKERS CLUB

The Merry Makers Club and other guests were entertained Friday evening, May 15, in the home of Mr. and Mrs. H. O. Cassle.

Four interesting games of Eighty-four were played with the ladies scoring high.

An attractive salad plate was served to the following: Mr. and Mrs. Gordon Bennett, Mr. and Mrs. L. E. Griffin, Mr. and Mrs. Ira Clements, Mr. and Mrs. R. B. Wiar, Mr. and Mrs. W. C. Russell, Mr. and Mrs. J. W. Ezell, Mr. and Mrs. W. F. Johnson and Miss Lulan Vaughan and the host and hostess.

MISS VAUGHAN HOSTESS TO TUESDAY CLUB

Miss Lulan Vaughan was hostess to the Tuesday Club in her home on Jackson Avenue, Tuesday afternoon.

Roses and larkspur in tones of orchid and pink decorated rooms where three tables of contract were in play. Substitute hands were played by Mrs. J. O. Jones and Miss Allie Whitley.

Following the games a sandwich plate with cake and iced tea was served.

Members present were Mesdames H. O. Cassle, D. O. Sauls, W. F. Johnson, John T. Day, R. B. Wiar, H. L. Norris, J. C. Culbertson, W. J. Poe and Miss Pearl Whitley.

TRECE SENORES CLUB ENTERTAINED

Roses and other summer flowers decorated rooms in the home of Mrs. L. H. McBride, Tuesday afternoon, when she entertained the Trece Senores Club. In the bridge games Mrs. Bill Rountree held high score for the club and Mrs. J. P. Morgan for guests. A salad plate with cake and iced tea was served.

Members playing were Mesdames Bill Rountree, Otis Hopper, Clinton Barrow, J. E. Bury, Paul Cain, Fred Carpenter, W. E. Akers and Buford Dean. Guests were Mesdames Jimmy Taylor, J. P. Morgan, M. T. Hudson and Earl Shurtleff.

BLUE BIRD CLUB WITH

MRS. JOE CULBERTSON

Mrs. Joe Culbertson entertained the Blue Bird Club and other guests in her home Tuesday afternoon.

Roses in crystal holders decorated rooms where guests spent the afternoon at bridge. High score was won by Mrs. Paul A. Fowler.

Prior to the games a plate holding strawberry ice cream and cake was served to Mesdames Garland Tumlin, John Ed Day, O. L. Henry, R. W. McCurdy, Paul A. Fowler, Art Carmichael, Ted Bledsoe, Bob Low, M. T. Woodward, R. H. McCurdy, Paul Fraser and Miss Vera Culbertson.

MISCELLANEOUS SHOWER

COMPLIMENTS

MRS. ED TROTTER KELLER

Mrs. Ira Clements entertained Saturday afternoon in her home on Jackson Avenue, with a miscellaneous shower, complimenting Mrs. Ed Trotter Keller, who before her marriage on March 8, was Miss Ruby Phoenix.

The entertaining rooms were decorated with roses and cut flowers in crystal holders. Miss Kathryn Adkins presided over the brides book, where guests registered and recorded a wish for the bride. Little bride booklets announced the following program:

Piano Solo—The Rosary -----

Miss Edwina Gilbert

Toast to the Bride -----

Miss Kathryn Adkins

Vocal Duet — Mrs. J. A. Roberts,

Miss Ruby Dean

To the Girls left Behind -----

Miss Ruby White

Following the program, little Miss Koleta Adkins, dressed as a fairy, came skipping into the room with a flower basket laden with gifts and presented them to the honoree in a

charming manner. Mrs. Keller, though very much surprised, expressed her appreciation and displayed the gifts to her friends.

A refreshment plate of Brides Cake and sherbert was passed to Mrs. Keller, Mrs. H. O. Cassle, Mrs. W. L. Boyd, Mrs. Tom Vaughan, Mrs. Gordon Bennett, Mrs. J. A. Roberts, Mrs. Henry Albritton, Misses Ruby Dean, Ruby White, Elva Greenway, Kathryn Adkins, Edwina Gilbert, Viva Milsted and Kaleta Adkins.

Mrs. Keller went to Stamford Monday to join her husband who is in charge of a special sale for the Bryant-Link Co., in that city.

"Rambling 'Round"

—SEEING WHAT'S TO SEE
—HEARING WHAT'S TO HEAR

In "Rambling 'Round" this week, we have been trying to get fellows to tell us where 'bouts in Hamlin do they live. Kindly caught'em on the spur of the moment—not a single one yet has been able to indicate within a mile where his residence is located.

For example, "One said, Where does the Mayor live?" "Well, er-ah, you can go down here a block, take to the left hand street, go so many blocks till you get to the 'blank House,' then turn up." By that time the listener was all in a maze, and wondered, "where does the Mayor live?"

We ask Tate May where could one locate his house. He said, "heck if I know, except its on what they say is Jackson Avenue." But Tate's father was more explicit. M. P. says, "why take the next street down there, keep going west, pass the Baptist Church, the school grounds, the tennis court fence, and finally you reach the 'blank house' and right angling across from that place is my house." A little figuring and Mr. M. P. May, was told that his home was on Almo Ave., in the 600 block, east. Which means, that his home is on that avenue which runs just east by the Grammar School, and by the time it gets down to the May home it is passing between 6th and 7th streets. Hence the 600 block.

H. O. Cassle had some trouble in telling where he lived. He said, "go (SEE NEXT PAGE)

Congressman Blanton Files For Re-Election

In filing as a candidate for re-election, I offer to my constituents: (1) twenty years of ripe experience in handling governmental problems; (2) the same prompt, earnest, painstaking and tireless attention to their business, which I have always given in Congress and out, and to all requests from everybody, rich and poor alike; (3) through knowledge of parliamentary rules, precedent, and procedure, which constitute the working tools of a congressman, and without the intimate knowledge of which he is helpless and impotent; (4) detail familiarity with the inside workings of every commission, bureau and department of government, and knowing when and how to stop waste, extravagance, and in instances graft, constantly growing in all of them; (5) knowledge of the history of all important laws and their changes, and the menace of thousands of old claims involving millions constantly asserted against the Government during each session; (6) unlimited energy, love of work, and an unbroken record of never straddling or evading; and (7) active, determined, vigorous, fearless, and dependable representation in Congress, before departments, and at all times, either during sessions or recess.

The Government of the United States is the largest business concern in the world. It has its valuable properties and agents scattered in every country, and on every ocean. Some of its numerous agents are reliable. Some are not. Some are constantly trying to take advantage of their Government. As one of the business managers for the United States, I have made it my concern to know all about its complex business affairs, to learn which of its agents are dependable, to bring charges against those who are not, and to know when unreasonable demands are made for enlargements and increases in annual expenses, and how to stop abuses.

In Congress, the prestige of seniority, acquired only through long, uninterrupted service and experience, is most important. It means everything. The longer service as a member has, the greater is his influence. Any district that passes its office around in rotation simply to honor some aspiring poli-

HON. THOMAS L. BLANTON

tician, who has spent a life time holding court-house positions, suffers the loss of having practically no recognition whatever in Congress.

If I am reelected, next January, I would become the Chairman of the powerful War Appropriations Committee, enabling me to save annually about \$75,000,000 in waste and extravagance, without any reduction in adequate National Defense, and if emergencies should arise at any time, I would be in a most strategic position to help keep our country out of war. I made a close detailed study of all war projects both in the United States, and in Hawaii and Panama. I shall perform my duties here until Congress adjourns, and then I will campaign my district.

Sincerely,
THOMAS L. BLANTON.

KING OF ENGLAND TO GET TEXAS SUIT

LUBBOCK, Texas, May 25.—King Edward VIII will receive a suit the material for which was woven at Texas Technological College from wool produced on the campus farm, if present plans of Morris Burchfield former textile engineering student, develop. Burchfield hopes to present the suit in July when he and two Tech students land in Europe on a White Star liner, by which all three will be employed this summer.

The suit will be tailored by the Fashion Park Clothing company in New York City, whose London representatives are exclusive tailors to the King.

President Bradford Knapp of Texas Tech will begin negotiations soon to arrange for the presentation of the suit. Dr. Knapp said he plans to communicate with Cordell Hull, Secretary of State, and with Robert W. Bingham, ambassador to Great Britain.

The Tech delegation plan to stop at Fort Worth enroute to New York in June and hope to obtain the cooperation of Governor James V. Allred in sending a Centennial gift for the King.

Your home paper costs less than any other paper and means far more to your family. Do you borrow a Herald each week? That's not economy, it is something else. Less than 2 cents per week pays for the Herald—and the best families in the entire community take it—Don't pull back.

Selfishness is the art of standing up for yourself and dying down for others.

AN out-and-out dinner menu is easier to plan than is one of those luncheons or suppers you build around one hot dish.

Such a dish should be savory and satisfying, but not too heavy. Baked Tomato Surprise is a main supper dish which will do its duty to the queen's taste. It looks tempting, and how good it tastes with its mingled savor of bacon, onion, and corn!

Baked Tomato Surprise

6 medium tomatoes; 2 strips bacon, diced; 1 tablespoon minced onion; 3 tablespoons quick-cooking tapioca; 1 teaspoon salt; 1/4 teaspoon pepper; 1/2 cup corn; 1/2 cup bread crumbs, buttered.

Cut thin slice from stem-end of each tomato and remove part of pulp. Sprinkle inside with salt, invert, and drain. Sauté bacon and onion until golden brown; combine with quick-cooking tapioca, salt, pepper, corn, and tomato pulp. Fill tomatoes with tapioca mixture and sprinkle with crumbs. Place in baking dish and bake in moderate oven (350° F.) 30 minutes. Serves 6.

A CATCHY AD

How people will respond to something which appeals to their curiosity is illustrated in a story from Budapest, where a bookseller circulated an advertisement, translated as follows:

"What must a young girl know before marriage? From the book which I supply to order, the young girl will learn, not what every young girl is told before marriage, but what every young girl of today will find it indispensable to know if she is to prove herself really modern. For reasons easily to be understood it is not advisable to sell such a book over the counter, but on receipt of the price, four pengoe, it will be sent discreetly packed to any address."

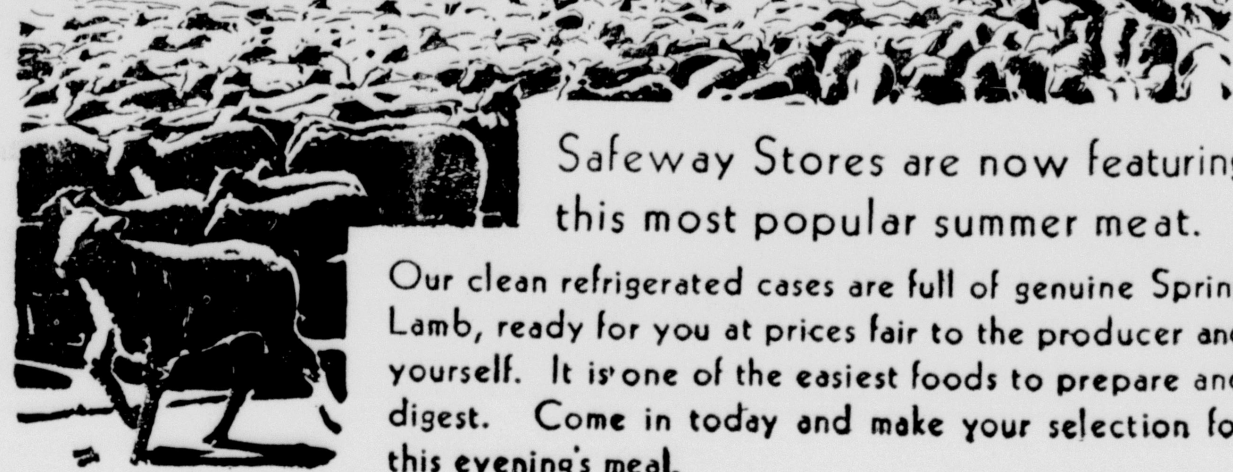

The price quoted is about the equivalent of one dollar, so orders poured in by the thousands. Not only young girls, but persons of both sexes and all ages, bought eagerly in the expectation of thrills.

The books were delivered as promised, but were found disappointing. Some customers prosecuted the book seller for fraud, but he was acquitted. It was held by the court that the books sold through the advertisement really contained information which a "young girl should know before marriage."

They were cook books.

Choose your car for the things that count!

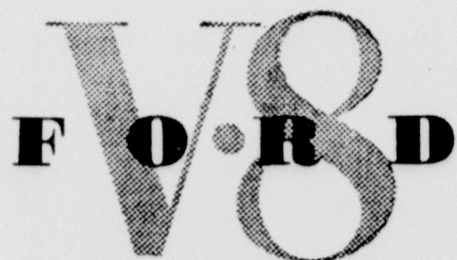

See first what a difference that V-8 Feeling makes

ALTHOUGH the Ford is one of the lowest-price cars, it is the only V-8 car below \$1645. That's why you can't really judge it till you drive it. Till you feel the smoother flow of its 85 horsepower—its swifter pick-up—its easier power up hills and at fast cruising speeds.

And you'll find other outstanding points in a Ford V-8. The riding comfort of a 123" springbase—almost a foot longer than wheelbase. Remarkable stability over rough roads and on turns. The complete security of a steel body, with safety glass all around, and big Ford Super-Safety brakes.

These explain why Ford owners feel so pleased—as they report gas mileage equal to less powerful cars—and no oil added between regular changes. Ford owners get extra benefits in performance—yet pay no extra for them. Choose your new car as Ford owners do—for the things that count.
